

CAREER COUNSELLING AND PLACEMENT CELL

Annual Report 2016-17

Career and Placement cell performed the following activities in the academic year 2016-17. This cell communicated information regarding opportunities to the students. Information is given to participate in various campus drives in other colleges. In Andhra Pradesh one government website named www.vikasajobs.com was created for placements to the students. They are conducting Campus interviews in Andhra Pradesh near to Yanam. This information is communicated to our students through this cell regarding the placements conducted, the date, time and eligibility criteria for the jobs.

Some free websites and informed to the students in which they can register themselves namely www.sarkariexam.com & www.freejobalerts.com

One multinational company TCS offered free registration for specific period and conducted online tests level by level. Some of our students got registered and attempted those tests to qualify.
