

CAREER COUNSELLING AND PLACEMENT CELL

Annual Report 2017-18

Career and Counselling cell performed the following activities in the academic year 2017-18. This cell communicates information regarding opportunities to the students. Information is given to participate in various campus drives in other colleges. In Andhra Pradesh one government website named www.vikasajobs.com was created for placements to the students. They are conducting campus interviews in Andhra Pradesh nearby Yanam. This information is communicated to our students through this cell regarding the placements conducted, the date and time, eligibility criteria for jobs.

Some free websites are informed to the students in which they can register themselves namely www.sarkariexam.com, www.freejobalerts.com etc.

One Multinational company TCS offered free registration for specific period and conducted online tests level by level. From our college many of the science department students registered and three of them attempted written test in Kakinada and two students only qualified in that exam. One of the student P. Durga Prasad attended Oral Interview conducted by TCS at Chennai and got Placement.
