

CAREER COUNSELLING AND PLACEMENT CELL

Annual Report 2018-19

❖ REPORT ON THE INVITED TALK “SET GOAL, GET SUCCESS”

The College, under the aegis of Career Counselling and Placement Cell, organised an Invited talk *Set Goal, Get Success* by well-known Inspirational talker Dr Krishna on **23rd January, 2019 at 2:30 p.m.** The talk was attended by teachers and II & III year students of various departments.

Aided by visual media, Mr Krishna's talk was more of an interactive one and less of a monologue. He drew the attention of the students to various aspects related to goal setting, focus and planning to achieve the goals they have set for themselves. The speaker emphasised on the need to plan smartly according to one's energy and intelligence levels. He used various anecdotes and stories to support his advice.

The programme was well received and the feedback was positive. The Cell plans to conduct further such programmes to inspire the students to choose the right careers and plan their future better.

❖ REPORT ON THE WEBCAST ‘PARIKSHA PE CHARCHA 2.0’

The college, under the aegis of Career Counselling and Placement Cell made arrangements for the Webcast of Hon'ble Prime Minister Sri. Narendra Modi's interactive programme *Pariksha pe Charcha 2.0* in the seminar hall on **29th January, 2019 from 11:30 onwards**

The programme was well attended by both students and faculty members. However after the initial euphoria and excitement, Hindi proved to be a barrier to students as most of them couldn't understand the Prime Minister's interaction. The few among both the faculty and the students who could follow appreciated the Prime Minister's candour and informal style and enjoyed the Webcast till the end. The programme's efficacy is unquestionable and is much welcomed. However a later recording with subtitles would have been a better choice for our students.

The Cell looks forward to conducting more such programmes for the benefit of our students.
