Atal Incubation Centre - Pondicherry Engineering College Foundation (AIC-PECF) is fully supported and funded by Atal Innovation Mission (AIM), Niti Aayog, Government of India. AIC-PECF is established to promote innovative technology-based start-up enterprises in India. This incubation centre will provide a vibrant ecosystem for the young and student entrepreneurs who are at the initial stages of their venture by providing mentorship support, guidance and handholding.

The AIC-PECF shall Endeavour to implement the following:

- i. Provide consulting and advisory support towards establishing a high-class incubation facility and implementing innovation and incubation programs.
- ii. Enable support ecosystem for incubated start-ups, including but not limited to: mentoring, planning, organizing events, lab facilities, regulatory guidance, etc.
- iii. Provide preference in support to start-ups or innovators that have applications / impact in the core sectors of the economy (e.g. agriculture, healthcare, clean energy and sustainable technologies, education, housing, transportation, Cyber security, IOT, Robotics and AI, water and sanitation, etc.)
- iv. Encourage innovation in the Indian ecosystem, through activities such as, but not limited to, (a) awareness workshops, (b) training and capacity building, (c) mentoring support, to early-stage start-up enterprises.
