Dr. S.R.K. Govt. Arts College, Yanam, strive to empower the students not only in academics but also encourage them to participate in Co – Curricular Activities (CCA), Extra Curricular Activities (ECA) which helps them to enhance all rounded personality. Special attention is given to sports and games. The students are encouraged and supported by the college to participate in Sports activities at the university and national levels to nurture their talents.

In order to support and assist the students in arena of sports and games, college maintains well equipped gymnasium and sports room in the college. College share a spacious play ground with the neighborhood schools in the complex for sporting activities. College management had developed its sporting facility with the support of Sports Authority of India (SAI) over its playing grounds. The facility includes international Indoor Stadium, swimming pool, two indoor gymnasiums and play grounds for basket ball, volley ball, badminton courts, cricket net practice courts and running track.

College encourages admission of players residing in SAI hostel, as token of encouragement to sportsmen and women. College takes a pride in supporting students representing Senior National Athletics Championship, National Junior Athletics Championship, South Zone Athletics Championship, State Senior Athletics Championship, Junior National Basketball team, South Zone Hockey team, South Zone inter-university foot-ball team and participated in inter-university and inter-college tournaments and brought laurels to the college and Yanam.
